2024

ACTIVITY REPORT

www.iaasworld.org

IAAS Executive Board (EB) is very pleased to launch our new contest:

The IAAS Global Project Competition

GLOBAL PROJECT COMPETITION 2024

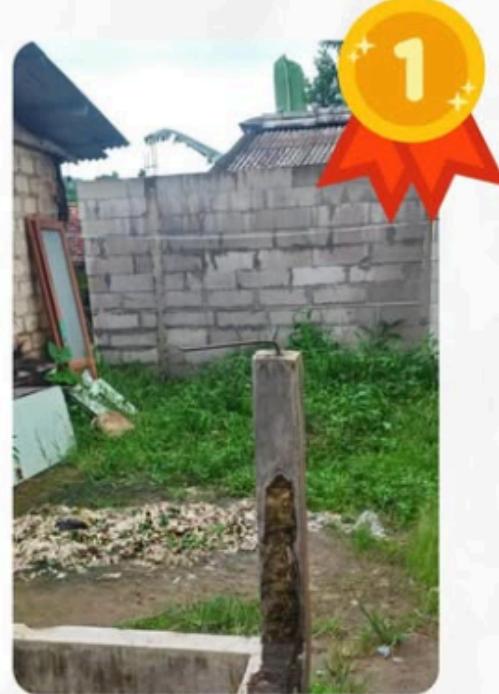

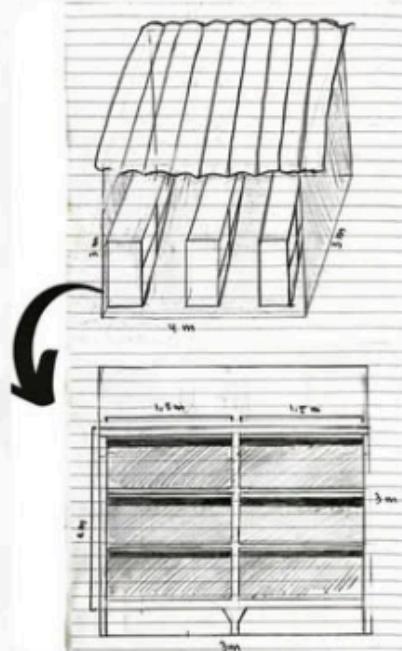

The Global Project Competition 2024, organized by IAAS World, took place from January 9 to February 8, 2024. Open to all IAASers, the competition provided a platform for participants to showcase innovative ideas and impactful projects. This event aims to foster creativity and collaboration among the global IAAS community. Winners are provided technical assistance, trainings & workshops, financial support and monitored throughout the duration of their project.

02

IAAS LC IPB

MagGrow: Feed Innovation Based on the Use of BSF Maggots to Optimize Fisheries Sector Productivity and Improve Community Welfare in VCP Jabal Rahmah.

Improving fish productivity, enhancing community welfare through the sale of wet and dry maggots, and realizing VCP Jabal Rahmah as a self-sustaining village through BSF maggot cultivation.

GPC WINNER PROJECTS 2024

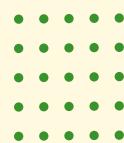

The GPC Winner Projects 2024 showcased groundbreaking ideas from IAAS members worldwide. Top projects include:

- ManGrow by IAAS LC IPB,
- Trash to Treasure by IAAS Nepal,
- Green Harmony by IAAS LC UB,
- Devil Fish to Pet Food by IAAS Bangladesh SAU-Dhaka,
- Alternative way of problem soils and eco-friendly insect prevention of Gourds by IAAS Bangladesh KAU.

ICYA 2024 INDONESIA

The ICYA 2024 took place from February 22 to 25, 2024, in Yogyakarta, Indonesia. The theme, "Youth-led Solutions for Zero Hunger: Nurturing a Sustainable Future through Agriculture," focused on empowering young people to develop innovative agricultural solutions. The event fostered collaboration and inspired action towards a sustainable future.

04

CALL FOR NEW IAAS EVENTS 2024

The Call for New Events 2024 ran from February 26 to March 23, 2024, inviting all IAASers to propose innovative and impactful initiatives. This opportunity encouraged members to contribute fresh ideas to shape the organization's future. It successfully sparked creativity and engagement across the global IAAS community.

Women in Agriculture Village Concept Project

COMPETITION

*Together, we're driving change in rural communities.
Combine expertise in agriculture and community development.*

WIA X VCP PROJECT COMPETITION 2024

The WIA x VCP Project Competition 2024 was held online from March 15 to April 12, 2024, and was open to all IAASers. The competition encouraged participants to present innovative projects addressing global challenges. It was a dynamic event that showcased creativity, collaboration, and impactful solutions from IAAS members worldwide.

06

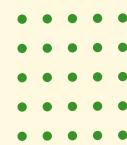

REEL CONTEST

SHOW YOUR CREATIVITY!

REEL CONTEST

The Reel Contest took place online from March 30 to April 14, 2024, and was open to all IAASers. Participants showcased their creativity through engaging short videos, highlighting impactful stories and ideas. The contest successfully fostered innovation and storytelling, bringing the IAAS community together in a fun and inspiring way.

ICYA 2024 COSTA RICA

The ICYA 2024 was held from April 14th to 21st, 2024, in Costa Rica, with the theme "Agribusiness and Communities: Sustainable Connections." The event brought together participants to explore how agribusiness can foster sustainable relationships between agriculture and communities, promoting innovative solutions for long-term environmental and social impact.

08

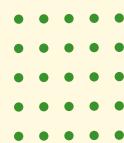

NAP EXPO 2024 BANGLADESH

The NAP EXPO 2024 was held from April 22 to 25, 2024, at BICC, Dhaka, Bangladesh, under the theme "Driving Transformational Adaptation through National Adaptation Plans." The event brought together experts, policymakers, and stakeholders to discuss and advance strategies for climate adaptation, fostering collaboration and innovation for a sustainable future.

EXCO MEETING 2024 NEPAL

The ExCo Meeting 2024 took place from May 21 to 31, 2024, in Nepal. IAAS members gathered to discuss key strategies, share insights, and collaborate on initiatives for sustainable development. The event provided a valuable opportunity for networking and strengthening the global IAAS community through meaningful discussions and partnerships.

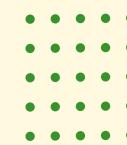

10

IAAS SB60 DELEGATION

The IAAS Delegation participated in the 60th Sessions of the UNFCCC Subsidiary Bodies from June 3 to 13, 2024, in Bonn, Nordrhein-Westfalen, Germany. Delegates engaged in critical climate discussions, collaborated with global stakeholders, and contributed to shaping strategies for sustainable development and climate resilience on an international platform.

CALL FOR ENTRIES **ONE HEALTH GLOBAL ART CONTEST**

On the Occasion of World Environment Day

Deadline: 25th June

ONE HEALTH GLOBAL ART CONTEST

The One Health Global Art Contest was held online from June 6 to 25, 2024, and was open to all IAASers. Participants showcased their creativity through artwork highlighting the connection between human, animal, and environmental health. The contest successfully raised awareness and inspired action toward a more sustainable and healthier world.

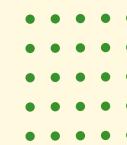

12

IAAS ALUMNI MEETING 2024

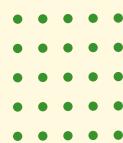

The IAAS Alumni Meeting 2024 was held from June 7-9, 2024, in Lausanne, Switzerland. Alumni gathered to reconnect, share experiences, and discuss future opportunities for collaboration. The event fostered a strong sense of community, strengthening the global IAAS network and reinforcing its commitment to sustainable development and innovation.

INTERNATIONAL PLANT HEALTH CONFERENCE - 2024

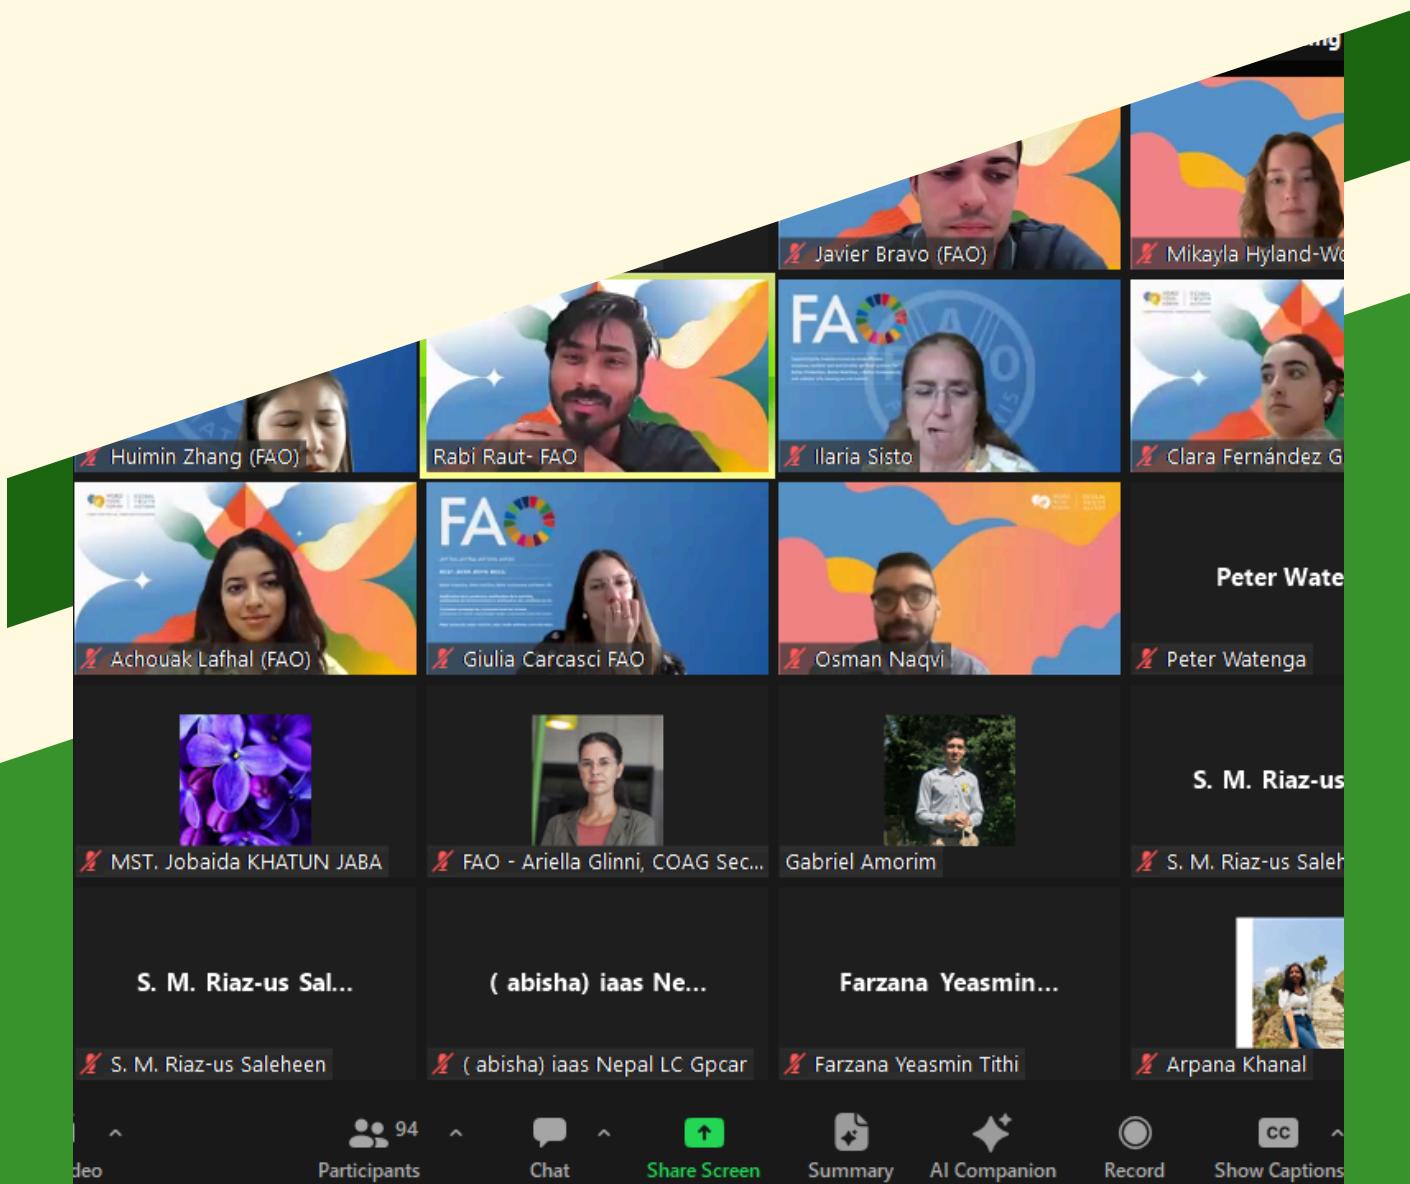

INTERNATIONAL PLANT HEALTH CONFERENCE - 2024

The International Plant Health Conference 2024, organized by FAYI-IAAS, took place online via Zoom from June 21 to June 23, 2024. The conference brought together experts and participants to discuss plant health challenges, share innovative solutions, and promote sustainable agricultural practices to safeguard global food security.

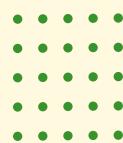

WORLD CONGRESS 2024 IN BANGLADESH

The World Congress 2024 was held from July 3–16, 2024, in Bangladesh, with the theme “Youth in Action: Challenges and Smart Solutions for Resilient Agro-food Systems.” The event took place across Dhaka, Mymensingh, Patuakhali, and Khulna, where young leaders collaborated to address key challenges and promote innovative solutions for resilient agro-food systems.

THEMATIC YOUTH ASSEMBLY ON THE COMMITTEE ON AGRICULTURE

The Thematic Youth Assembly on the Committee on Agriculture was organized by the World Food Forum (WFF) in partnership with the Climate Smart Agriculture Youth Network (CSAYN) and IAAS on September 24, 2024. Held online, the assembly brought together young leaders to discuss sustainable agriculture and climate-smart solutions for the future.

YOUTH FOOD LAB 2025 GRAND OPENING

The Youth Food Lab 2025 Grand Opening took place on October 1, 2024, at WUR, Netherlands. The event marked the beginning of an exciting initiative focused on fostering youth-driven innovation in food systems. It brought together young leaders to collaborate on sustainable solutions for the future of food.

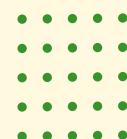

IAAS DELEGATION AT WORLD FOOD FORUM FLAGSHIP EVENT 2024

The IAAS Delegation proudly participated in the World Food Forum Flagship Event 2024 from October 14 to 18 at the FAO headquarters in Rome, Italy. This global gathering provided IAAS members with the opportunity to engage in discussions, showcase innovations, and contribute to shaping the future of sustainable food systems worldwide.

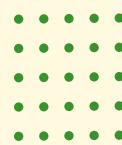

IAAS DELEGATION AT EIT FOOD NEXT BITE 2024

The IAAS Delegation at EIT Food Next Bite 2024 took place on October 15-16, 2024, in Rome, Italy. The delegation engaged with food innovators and entrepreneurs, discussing the future of sustainable food systems. It provided an invaluable platform for networking and exchanging ideas to drive impactful solutions in the food sector.

IAAS DELEGATION AT COP29

The IAAS Delegation at COP29 took place in Baku, Azerbaijan, from November 11–22, 2024, under the theme "Investing in a livable planet for all." The delegation actively participated in discussions, advocating for sustainable practices and solutions to address climate change, highlighting the importance of a collective effort for a livable planet.
